John McMahon, Family Crisis Center reviewed the annual report with the Board. John shared a case with the Board. Vanessa and Sonia, two advocates for FCC also shared what they do at the center. There are five primary services for Pocahontas County in FY 2024. 9 clients for domestic violence, 5 clients for homicide & violent crimes, 4 clients for medical clinic outreach, 1 client for housing and 25 calls to the crisis line. John ended with thanking the Board for their support.

Stacia Timmer, Elderbridge COO reviewed the annual report to the Board. Stacia noted the majority of services they provide are meals they serve. Pocahontas has home delivery three times a week and Laurens has congregate meals five days a week. Elderbridge's goal is to keep elders who are not on Medicaid in their homes. Linda Saathoff was also present and told the Board that they would like to get more people to come back to the center for congregate meals but it has proven difficult for Pocahontas. Stacia ended the report requesting \$7,302 for FY 26 which is slightly up from last year's amount of \$7,214.

Dereck Hebert presented the Board with quotes on the panic/fire system along with a cloud-based option. The Board requested waiting until next week after a third quote request is received.

Dereck also advised the Board that he looked into upgrading their laptops. Laptops would be around \$1,000 each where an Ipad would be \$350 each with an additional \$245 for a keyboard. The Supervisors advised they are fine with what they have at this time.

Tate Schmeling, County Engineer requested the approval of Alan Hubbell for the position of Laurens Patrol Operator, starting December 2, 2024 at \$23.95/hr. Motion by Clarence Siepker, seconded by Jeff Ives to approve the hire. Ayes all, motion carried.

Tate presented 3 design quotes for the Marshall Bridge. Bolton & Menk was \$57,507.00. Calhoun-Burns & Associates was approximately \$40,550.00. ISG Inc was \$28,900.00. Tate recommended to go with ISG Inc. Motion by Brent Aden, seconded by Louis Stauter to approve Tate Schmeling to sign the ISG Inc. proposal.

Kyle advised Tate to have John look at and repair holes in road by Teepee and highway 3. Secondary Roads has been cleaning off roads where mud has been packed, when they are notified of the issue.

Nita Hinrickson, Auditor, presented the Board with the accepted Maintenance/Custodian position. Motion by Clarence Siepker, seconded by Brent Aden to approve the hire of Derek Essing as Maintenance/Custodian starting December 9, 2024 at \$24.80/hr. Ayes all, motion carried.

Nita also informed the Board that we had received the wellness payout from ISAC, there was one individual that left in April and asked if the employee should be given the County match. All Board members agreed the employee should.

Regarding the liquor permit, Nita talked with Dan Feistner and he advised that there would be no issues for the County.

Nita reached out to two roofers to look at the Annex and Courthouse roofs. Both companies should have a quote to the County next week.

Laura Erickson, Dereck Hebert and Nita Hinrickson will attend a demo on Unisyn Election Tabulation equipment on December 4.

Swearing in of new elected officials will be December 17 at the Supervisors Meeting.

We received the secondary roads bill for their ground work for the LEC. Kyle advised that initially that some "inkind" deduction could be used, but then was advised that it wasn't recommended. Nita will check again with Tate, otherwise money from the bond may need to be used to pay the bill.

Motion by Brent Aden, seconded by Louis Stauter, to approve Manure Management Plans (1) Dutchland Dairy – ID# 56669 SE NW, Sec. 4 Garfield Township Dan Duitscher as owner & Extended Ag Services as contact. Ayes all, motion carried.

Motion by Brent Aden, seconded by Clarence Siepker, to approve all claims as presented. Ayes all, motion carried.
