

# ABOUT MEREDEITH PARK & THE CABIN

Meredith Park, also known as Plover Pit, features an excellent 5 1/2 acre natural swimming and fishing lake.

During the summer of 2007, PCCB joined with Prairie Partners RC & D to construct a sleeping cabin out of Iowa native white oak logs. Quietly tucked among willows and cottonwoods along the south lakeshore, the cabin offers a secluded spot to relax and enjoy the outdoors with family and friends.

Camping facilities consist of 17 sites with water and 50 amp electrical service, graveled pads, picnic tables and grills. A modern shower/restroom building is located in the camping area. An open shelter house is available for use by campers unless reserved.

Camping rates for the current season are \$20/night for a pad with electricity/water.

The shelter house may be reserved for \$50/day. The park is closed from 10:30 p.m. to 6:30 a.m. except for those registered as camping.

Meredith Park also features a new playground. Created from 15,000 recycled milk jugs. The slides, climbing wall, fort area and swings offer a safe, fun place for kids to play.
