YOU ARE FURTHER NOTIFIED that the assessment schedule sets out a classification and assessment which shall be the basis for future repairs and improvements made in this District. The assessment figures are not based on actual cost; and this will not be the amount of your final assessment, but this is for illustration purposes only. The Pocahontas County Board of Supervisors has tentatively approved the report as filed and has fixed the time for hearing on said report **for 6:00 pm, on Wednesday, February 15th, at the Pocahontas Expo Center in Pocahontas, Iowa.**

YOU ARE FURTHER NOTIFIED that all objections to the Reclassification Report must be in writing and filed with the Pocahontas County Auditor at or before the time set for the hearing. At said hearing the Pocahontas County Board of Supervisors shall hear and determine all written objections to the report, and may affirm, increase or decrease the percentage of benefits or apportionment of costs and expenses made in the report against any tract of land in the district, as may appear to the Board to be just and equitable.

YOU ARE FURTHER NOTIFIED that at such hearing, the Board may hear evidence both for and against the approval of the report or any portion thereof, but it shall not be competent to show that any of the land in the district assessed for benefits will not be benefited by such repairs or improvements to some degree. Any interested party may be heard in argument by himself or counsel.

YOU ARE FINALLY NOTIFIED that your failure to file a written objection may result in the consequence of waiving your right to appeal any decision to the District Court.

THIS NOTICE is published and mailed as provided by law at the direction of the Board of Supervisors of Pocahontas County, Iowa, acting as Trustees of Drainage District No. 53.

Kelly Jepsen
Pocahontas County Auditor
