

Pocahontas County Visioning Committee Priorities

Quality of Life

- Expand recreational opportunities (trails, hiking, biking, etc.)
- Attract new residents and families
- Protect natural amenities (parks, lakes, etc.)

Workforce

- Increase employment opportunities
- Attract new businesses that provide local jobs
- Enhance skillset of current workforce

Housing

- Increase housing variety/quality

The Pocahontas County Board of Supervisors, Pocahontas County Economic Development Commission, and Pocahontas County Young Professionals partnered together to gather public opinion on the current state and future of Pocahontas County. The Pocahontas County Visioning Committee was formed to take a deep dive into the survey results and brainstorm ideas to make Pocahontas County a great place to live, work, and play. The topics above were most important to our residents who participated in the survey.
